2. Approval of the agenda made by Heidi seconded by Luis
3. Public Participation: None
4. Information/Discussion
 - a. Park Project Updates:
 - i. Sod is complete at the baseball field, and they are working on a temporary fence to keep people/animals out.
 - ii. Weather cooperating would like to get the backstop poured.
 - iii. Jack and Jill Park: Basketball court is prepped and will begin with cement early next week.
 - iv. Cement will be placed around bathrooms
 - v. Dump station new location – working on moving to South camping spot
 - vi. Signage came for Pribyl Park – those will be placed soon
 - b. Skate Park/Pump Track: Review Interest Survey
 - i. Survey shows the community has interest in seeing us proceed with discussions about the addition to the community
 - ii. The Park Board is recommending the moving of the current skate park to Flynn Park upon completion of the risk assessment to assure that the equipment is safe for our youth. The current skate park will therefore be utilized for batting cages.
 - iii. The Park Board will research local and national skateparks and pump parks and investigate costs and bring some options. The board would then like to get public opinion.
